● **Controllers Monitors & Indicators**

Process and Temperature Controls / Limit Controllers / Indicators / Windows  
CE HMI Touch Panel Computer / LAN Gateways & RS232/485 Converters

**Future Design Controls,  
Honeywell, West Controls  
Solution**

● **Temperature Sensors**

Thermocouples & RTD Sensors, Temperature Transmitters with HART

**Pyromation, Honeywell,  
SensorTec**

● **Infrared Pyrometers and Combustion Monitoring**

**IR Equipment:** Spot Pyrometers / Indicators / Controllers / Handhelds /  
Thermal Imagers / Line Scanners

**Ametek Land**

● **Data Loggers & Recorders**

Paperless Recorders / Strip & Circular Chart Recorders / Portable Data  
Loggers / Window Based Software

**Future Design Controls,  
Honeywell, West Controls  
Solution**

● **Power Controllers**

Zero & Phase Fired SCRs / Solid State Relays

**Ametek HDR**

● **Electrical Heating Elements**

Flanged / Screw Plug / Over the Side / Circulation Heaters Tubular / Heat  
Trace / Finned Tubular / Duct / Radiant  
Special Design: Rod Over Bend / EES Systems

**Chromalox,  
GS Inc**

● **Regulators**

Regulators - Modern design, rugged construction, and precise pressure  
control

**Sensus, KDI**

● **Combustion Equipment**

Single Burners / Blowers · Mixers / Metering Orifices · Regulators /  
Control/Blocking Valves / Meters / Control Panels / Complete Gas Trains  
Variable Frequency Drives / Actuators / Blocking and Control Valves Single /  
Multi-Burner Flame Safeguard Systems / Ignition Systems / UV Scanners /  
Flame Rods

**Eclipse, Maxon, Fives North  
American, Hauck, NYB,  
Kromschroder, Honeywell,  
Protection Controls Inc**

● **High Temperature Insulations**

High Temperature Refractory - Kaowool and Superwool Environmental  
Blanket Paper / Boards / Insulating Brick / Pyro-Bloc Weld-On Modules /  
Engineered Shapes / Castable / Insulating Blanket / Hardware

**Morgan Advanced Materials**

● **Industrial Ovens and Furnaces**

Custom Industrial Furnaces, Ovens, Washers, Dryers, and Complete Thermal  
Designed Systems

**HeatTek & Unitherm**

● **System Design Build & Service**

Custom Systems Designed, Built & Installed /24-hour Emergency Services  
& Replacement Parts / Preventative Maintenance Programs / In-house  
Repair / Programming, Start-Up Repair of PLC's / Safety Checks /  
Certification Calibration / Propane System Checkout / Environmental  
Emissions / Energy Efficiency Audits / Training

**BDC**

● **Industrial Furnace Rebuilds**

Expert refractory installation services for repair and rebuilds for Plastic - ram  
and gun / castable / brick/ ceramic fiber linings / gunite / shotcrete / refractory  
demolition and tear out / refractory bake-out services

**Ferris Kimball, GSI, Plibrico**
